# The Training

Between 27th-31st of March 2023, with the attendance of 20 teachers and trainers, we were in Ankara for the CSR2VET Diversity Training.

Specifically, the topics of Interculturality, the Concept of CSR and its three pillars, Social, environmental, and economic benefits of CSR for enterprises and the VET sector, CSR good practices about its pillars, UN Sustainable Development Goals and their links to CSR were covered during the training.

**FAAL Dernegy**, our host in Ankara, guided us to deepen the topics, understand the core principles of CSR2VET, and let all of us discover the city and its amazing cultural heritage.
