VOLUNTEERS / INTERNS

At Mobilizing Expertise, we proudly host a diverse group of volunteers and interns each year, offering unique opportunities for international living both in Sweden and abroad. Through 3, 4, or even 12-month internships, participants enhance their project management skills, improve their English proficiency, and gain invaluable experience as part of a dynamic European organization. We also learn a lot from our interns, gaining fresh perspectives and new ideas that enrich our work.
